VERBAL DESCRIPTION:

Solid part of a hollow figure with a seated figure, red, head motif. The knee/leg upon which the body rests is rounded - almost spherical, in fact. The head is rectangular with grooves defining the eyes part. The head is divided from the wrist by a horizontal band. Internally shaped of cone. No part or slip - smooth with surface.

I have a letter from your mother  
 in the post. It is very kind  
 and I am glad to hear from  
 you. I am well and hope  
 this finds you the same. I  
 am very much interested in  
 the progress of your studies  
 and hope you will continue  
 to make good use of your  
 time. I am, dear friend,  
 ever your affectionate friend,  
 John Smith
